MEMORANDUM FOR THE DIRECTOR:

This memorandum is for information only:

Mr. Edward C. Wilkinson, of the board of governors, of DACOR, telephoned today to check on some biographical data he will use in introducing you at 8 p. m. 7 March 1957 when you address the DACOR group in the State Department auditorium.

He said that it has been necessary, due to space limitations, to refuse 150 requests for tickets. There are 250 seats in the Auditorium; they are adding 50 folding chairs; they have issued 325 tickets so another 25 folding chairs will have to be secured. This will crowd the auditorium.
